To the Commissioner of Patent and Trademarks  
Washington, D.C. 20231

Dear Sir:

**Amendment G**

In the claims:

All of the claims standing for Examination in the above-referenced case are reproduced below.

2. A method for routing Internet Protocol Network Telephony (IPNT) calls at customer premises having a managing processor and a computer workstation coupled to the managing processor, the managing processor storing a current set of routing rules specific to and accessible and editable by a person assigned to the computer workstation, the method comprising steps of:

(a) receiving an IPNT call at the managing processor;
